Dear Parents of Blue door,

Hello, This week we talked about Christmas. During Circle Time the teacher talked about some of the things that symbolize Christmas. These things are the Christmas tree, reindeer, elves, Santa Claus, candy canes, and Christmas stockings. Each child was also asked what they wanted Santa to bring them and these are some of the things the children want Santa to bring them. Cars, Legos, crayons, a bicycle, and dinosaurs. The children are very excited about Santa coming. They loved hearing Christmas songs throughout the day as well.

Music class is always lots of fun. They rang Christmas bells and sang Christmas songs and loved listening to Pete the Cat and The Five Little Ducks.

For art, they made a reindeer by dipping their hand into brown paint and then onto construction paper and added the eyes onto their reindeer. Christmas tree craft was lots of fun as the children ripped and rolled into tiny balls the tissue paper and then glued it onto the Christmas tree. They colored their winter mitten and added cotton to the top part of the mitten. As always free art is always fun. They drew what they wanted Santa to bring them for Christmas.

They enjoyed listening to these stories that were read by the teacher. Charlie Brown Christmas, Goodnight Sweet Butterflies, It's Christmas, I want a Dog For Christmas Charlie Brown and Hands Are Not For Hitting.

Thank you for your holiday wishes and gifts!

Have a great weekend and a wonderful Holiday and New Year!
