

06/04/2021

Dear Parents of Gold Door,

This week the students reviewed blending long vowel sounds with the silent e. They practiced using these words in a sentence. With their boards, we played a challenge game of different words such as Cone, nine, peek, we, and name. For writing the students wrote two sentences in their journal using the sight words for this week. They practiced finger space, punctuation, and using capital letters at the beginning of a sentence.

For Math the students reviewed adding and subtraction. They were reminded of words such as add, sum, more, equals, plus, and practiced answering problems where the answers are up to 10.

For Science we read Scholastic Magazines each on reviewing different facts, for example, the students learned about what an illustrator does when creating a book, they also read about Abe Lincoln and what his childhood was like, well as what happens when we litter.

Just a few reminders, June 7th-9th is our spirit week. And we look forward to seeing the student's participation.

June 7th- Disney day

June 8th- Summer day ( No bathing suits or open-toe shoes)

June 9th- dress up for our end of the year celebration

Next week binders are no longer needed to please feel free to keep them home. If you would like to continue to bring a book bag for their artwork please feel free to do so.

As always please continue to use Brightwheel to check in or check out your child.

We want to tell you how much we enjoyed having your child in our class and want to thank you for entrusting them to us. Thank you so much for your end of the year gifts. They are truly appreciated.

As always have a wonderful weekend! And thank you

Ms. Jocelyn & Ms. Adriana
