Hello Red Door Parents!

This week we learned all about weather and different clothing items we wear. It was a wonderful week to talk all about weather since the children saw so much rain this week! ☁️ We looked out of our red door window and sometimes the children said they saw the sun, the rain and the clouds turn from white to gray. We also spoke about what type of clothes we should wear if it is raining, some responses were boots and jackets! 🧥

This week for music class the children enjoyed using music sticks and scarves to help sing and dance. Wonderful Ms. Clarice even sang and played guitar to Pete the Cat "I Love My White Shoes".

For small group/art The children made their very own umbrellas using a paper plate, paint, sponges, and glue. They worked on the journals and even made their very own sun using a small paper plate, yellow paint and construction paper. 🌂 ☀️

For story time the children listened and followed along to No more Diaper for Ducky, Hands Are Not For Hitting, Maisy's Wonderful Weather Book, Peep and Ducky Rainy Day and All About Weather. 📖

Parents please remember to keep your child's nails short as to not scratch our friends while playing and to take home your child's pillow and blankets every Friday (if your child naps at school) and bring them back fresh and clean on Monday!

We hope all of our Red Door family has a wonderful weekend!
