Dear Parents of Blue Door,

Hi, this week the children learned about different kinds of Community Helpers.

During Circle Time the teacher talked about Police Officers, Firefighters, Chefs, Teachers, Postal Workers, and Garbagemen and how all these workers help our community.

We would like to welcome Aaron Escobar to our Blue Door family.

For art, the children made a garbage truck by using construction paper in the shape of squares and the tires were in the shape of circles. They had so much fun making their fire trucks once again using construction paper and using the square shape. By using white construction paper and gluing the shells and a red and blue line that was cut from construction paper they made the mail postal truck.

Using a small paper plate they painted it blue and added white squares from construction paper to represent the windows and this is how they made their police car. They worked in their journals as well.

The children also enjoyed playing with Legos and putting puzzles together. Center time is one of their favorite times each child gets to choose what area they would like to play in. The library is becoming a favorite area to visit.

Please remember to wash your child's blanket and return to school on Monday. Make sure your child's nails are cut short. Please send in extra clean clothing. PLEASE DO NOT FORGET TO LABEL ANYTHING THAT BELONGS TO YOUR CHILD WITH THEIR NAME ON IT.

"We must teach our children to dream with their eyes open" Harry Edwards

Have a nice long weekend with your family. Remember Monday we are closed, Martin Luther King Day.
