Dear Parents of Blue Door,

Hello ! This week we talked about the Garden . During Circle Time the teacher talked about all the different vegetables 🥕 and Fruits 🍌 that grow in a garden . Blue Door visited the garden that we have here at school . In the garden we saw that there are tomatoes 🍅 growing . The children had a nice time visiting the garden. They enjoyed watering the plants and flowers.

For art, the children made a sunflower 🌻 by painting a paper plate yellow and ripped tissue paper and then glued it onto the middle of their sunflower. They glued the stem that was from construct paper . They did a great job. Tomato 🍅 Art craft was lots of fun. The children colored a paper plate using red and green crayons and then glued tissue paper to their apples as well. The children drew a picture of the school garden in their journal.

For story time they listened to these stories: The Very Hungry Caterpillar, ABC Animal Jamboree, No More Diapers for Ducky , Cuckoo Can't Find You , Goodnight Moon, George Catches a Cold, How Do Dinosaurs Stay Friends and, Don't Let the Pigeon Drive the Bus.

Music class with Mrs. Clariss is always fun . This week the children were able to play with the tambourines. The stretchy band was also lots of fun. We hope you are enjoying the videos of music class.

On the playground we had lots of fun practicing our gross motor skills. This week we touched our toes and reached for the sky , the children threw the ball to one another, the children marched around the playground and played musical instruments, they jumped in place and kicked the balls to one another.

Parents please wash your child's blanket and return to school nice and clean on Monday . Please make sure your child's nails are cut short that way they don't scratch themselves or their friends.

🌻Have a great weekend 🌻

Mrs. Cindy

Mrs. Luz

Ms. Laura
