Dear Parents!

This week we learned about shapes!

Circle time/music: We listened to the songs "Good Morning, Rollie Pollie, The Wheels on the Bus, Rub a Dub Dub (3 Shapes in the Tub), and fingerplay: where is the shape?" We had an awesome music class with Miss Clarice singing and dancing with the guitar and piano and taking turns with the ocean drum! Miss Clarice also read the book Pete the Cat with the guitar!

Storytime: "My Very First Book of Shapes, Bear in a Square, Curious George Shapes, See and Spy Shapes".

Small group/art: using glue and paper, glue the shapes onto paper. Wednesday we used 5 piece shape puzzles! We then used construction paper and a round object to apply to the ink pad to make circles, on Friday we sorted shapes from big and small.

Playground: During playground we take turns rolling the ball and kicking! We go up and down the slide, pop bubbles, and ride our tricycles!🚲

Have an awesome weekend!🤗

Ms.Gabby & Ms.Karla ❤️
