Dear Parents of Blue Door,

Hello! This week we talked about Easter. During circle time the teacher asked each child what did the Easter bunny leave for them at their house? The majority of the children answered Easter eggs. Some of the children said they went looking for eggs around their house. Here at school during their Spring Egg Hunt, the children had a great time running around and finding the eggs. We the teachers would like to thank all the parents that contributed to the children's egg hunt by buying eggs. Thanks once again, the children really enjoyed themselves.

For art, they made handprint Easter bunnies, they had a great time dipping their hand into white and purple paint. Coloring and gluing mosaic squares to an Easter egg shape was lots of fun. Paper plate bunny in the grass was a lot of fun to make. Using green tissue paper the children glued it onto half of a small paper plate and then glued the bunny to the back of the paper plate and added the eyes, nose, and ears to the bunny. This came out very cute. using Do.A.Dot markers which is great for fine motor skills. They decorated an egg which was cut from construction paper. Easy stripe Easter egg craft was where they ripped tissue paper and glued them to an Easter egg shape

For storytime, children listen to these books: Happy Easter Mouse, The Biggest Easter Mouse, The Biggest Easter Basket Ever, Hands Are Not for Hitting, and The Llama, Llama.

Parents, please wash your child's blanket and return to school nice and clean on Monday. Make sure their nails are cut short so that way they don't scratch themselves or their friends.
