Dear Parents of Blue Door,

This week the children learned about Farm Animals. During Circle Time, the teacher talked about some of the animals that live on the farm, such as the Cow 🐮, Goat 🐐, Chicken 🐔, Rabbit 🐰, and Pig 🐷. Also, each child was asked to make the sound of their favorite farm animal.

For art, the children enjoyed making their baby chic 🐣. They painted a small paper plate yellow and then added the eyes, nose, beak, and feather on top of the head. They did a great job. Those chics are hanging in the classroom. Using crayons, they drew a picture of a farm and the animals they like the most. Making a barn on a farm was a blast. The children received a barn shape and colored it red and glued popsicle sticks to make their barn. In their journal, they had free art and made anything they liked related to a farm.

On the playground, once again, we practiced our gross motor skills. This week the children ran two laps around the playground, threw the ball to one another, kicked the ball to one another, and had a basketball game.

The teachers of Blue Door would like to wish all the moms a very Happy Mother's Day. We wish you lots of happiness on such a special day 🌹

🌸 Have a great weekend 🌸

Mrs. Cindy

Mrs. Luz
