

10/15/21

Dear Parents of Rainbow Door,

This week we talked about "Community Helpers". During Circle Time the teacher showed the children the different Community Helpers such as: doctors, firemen, teachers, veterinarians, police, school bus driver, etc... The teacher talked to the children about what they want to be when they grow up. Some of the answers were: police, firefighter, and teacher. We went over the "Numbers", Alphabet son" Days of the Week" and "Months of the Year".

For art, the children had a great time using stencils, glue, markers, and mosaic squares. They traced the letter "C" for Community, they decorated and colored it. The fire truck was also lots of fun, they made and glued different parts of the truck. The children enjoyed tracing and painting the tooth with white paint. Also, the children were excited about tracing and colored the "School Bus" and wrote their names on it. They did a great job!!!

Playground time is always their favorite time. They skip and gallop around the playground. Also, they demonstrated their balance skills.

Parents, please take some time with your child and reinforce on how to correctly hold a pencil or crayon, yes here at school we do teach them, but Reinforcement is very important and will help your child learn faster.

Parents, please do not forget to wash your child's blanket to be returned to school on Monday. If your child is potty training here at school, please send enough pull-ups for the week. Please, LABEL everything that belongs to your child with their name (shirt, pants, shorts, underwear, socks, and fabric masks) This includes the extra clean change of clothing and sweaters. Also, send a clean change of clothing if your child has brought home dirty clothes during the week.

The Student of the week (starting Monday 10/18/21) is "JAMES BELTRAN"

Have a nice weekend,

Mrs. Miriam Salas
