Dear parents,

Welcome back and Happy 2024! We hope that you all had a wonderful holiday break! This week, we learned all about Transportation 🚗 ⚓ ✈️

The children had a chance to play in all center areas like: Art 🎨, Blocks 🚗 🚚, Housekeeping 🏠 🚿 🧹, Library 📖, and Science 🔬 🧪 and Discovery 💡

During circle time, we listened to the “Good Morning 🌞” song along with “The Wheels on the Bus 🚌”, “Row, Row, Row, Your Boat 🚤”, “Yankee Doodle” and “Transportation and Their Sounds!”

While outside during playground ⌚ time, we took some time to practice our gross motor skills like throwing a ball, climbing up and down the stairs, freeze dancing, and going down the slide! 😊

For our small group, we made a boat out of construction paper and glue and used a toy car, dipping it into paint and rolling it onto paper!

In order to develop our fine motor skills, we played with some Play-Doh and used various cookie cutters to play and work with our fingers! We also had fun playing with various puzzles and sorting toys! 👍

Parents, did you know that practicing independence is very important for developing small children? Let's encourage our little ones to eat with spoons and drink out of cups all by themselves! It will be messy at first. However, it will be so beneficial for them in the long run! Let's work together so that your child can succeed! 😊 👍

Reminder: If your child is sick please keep them home until better. Bringing them to school sick only allows for them to not get better quickly and also gets the other children and teachers sick as well! Thank you for your cooperation! 😊 👍

Please be sure to bring back your child's blanket and pillow nice and clean for next week! Have a wonderful and safe weekend! 😊❤️

With much LOVE,

Ms. Ashley and Ms. Yeysleydys ❤️
