

06.09.2023

Dear Parents,

Welcome to Summer Camp 🌞!

The students are getting acquainted with each other while playing, building and having fun. During this week the students worked on a hands-on project, they modeled some dry clay, they painted it and they added some Mud Podge to make it shiny (a few students did not want to do this project, it is okay).

We learned how to play some new games, such as Number Chase, Rummikub and Big Fish Lil' Fish.

The Children's Museum visited us, they acted out "Piggy and Gerald," They were hilarious and the actors were able to keep the children engaged at all times!

Every Thursday we will have music with Mrs. Michelle, this week she introduced some songs, one with the children's names, the children used shakers to sing with her; they giggled and enjoyed with Mrs. Michelle.

Just so you know...we serve an early snack at 9:15, then we have lunch at noon and a late snack at 2:15.

Your child may want to bring a sweater to keep in the class as it may get a bit cold at times. If you want to keep a change of clothes here, please place it in a Ziploc Bag and label it with your child's name (your child may get wet at the playground or he/she may want to feel nice and dry after physical education). Bringing a container or bottle of water is a good idea as well, it gets really hot in Summer time! Please label your child's water.

We can communicate via Brightwheel or you may want to call the school if it is an emergency.

REQUEST FROM THE TEACHER

If you may, could you please send a family picture to keep in the class?

COMING UP...

Donuts with Dad 🍩 on Wednesday, June 14th. Come have a snack with your child. Event will take place from 8:00 to 9:00

I am looking forward to an exciting Summer Camp Time!!!

Love,

Mrs. Audrey 🌻
