

02/24/2023

Dear Parents,

During this week we discussed "how people works with animals," we read stories such as "From Puppy to Guide Dog," "Koko and Penny," and " Saving Mountain Gorillas." The students worked in small groups to make connections with the stories, they compared some of the stories. We reviewed the Genre of Nonfiction or Informational Text. Because this was a short week, the spelling/H.F test will be provided on Monday the 27th.

We finished another chapter in Math, the students will have their Chapter 9 test on Monday.

We also finished another chapter in Science. Next week will do activities related to Dr. Seuss in the afternoons and we will retake our Science and Social Studies the following week.

COMING UP...

Dr. Seuss Spirit Week, see picture above, let's have some FuN!!! Our uniform must be worn unless it is dress-up day!

Monday the 27th- Chapter 9 Math Test

Monday the 27th- Spelling and HF test from this week.

Have a lovely weekend!

Love,

Mrs. Audrey
