Dear Parents of Blue Door,

This week the children learned about Spain. During Circle Time, the teacher showed the children a picture of the flag of Spain and talked about the colors of the flag. She also talked about some of the animals that live in Spain such as the brown bear, the Iberian wolf, and the deer.

For art, the children listened and danced to Flamenco and Celtic music. Ripping yellow and red tissue paper was lots of fun. They ripped and ripped and glued it onto construction paper. They loved painting using red and yellow paint. These are the colors on the flag of Spain. Making the flag was also lots of fun. The children glued one strip of red construction paper on the top of a piece of construction paper and also on the bottom. Play-Doh is always a blast. They rolled and rolled it and made balls as well.

On the playground, the children love to play but we also practice our gross motor skills. This week the children played Red Light, Green Light, and One, Two, Three. They also pretended to be a Torero and another child pretended to be a bull. Running three laps around the playground is great exercise. Throwing the balls is always lots of fun. Riding the tricycles is also a favorite.

Music class with Mrs. Michelle is always fun. This week she brought in a Chinese gong. The children enjoyed playing it and singing along to all Mrs. Michele's wonderful songs.

Parents, please remember to wash your child's blanket and return to school nice and clean. Please make sure your child's name is written on anything that may belong to him or her.

Have a great weekend!

Mrs. Cindy
