

01/15/2021

Dear Parents of Green and Red Door,

We had a wonderful week. Our topic of the week was winter animals.

During Circle Time, we sang "Good Morning", "Rollie Pollie", "The Wheels on The Bus", and "Itsy Bitsy Spider". Usually, at this time, we use puppets like polar bears and penguins.

During Story Time we read: - Polar Bear

-10 Playful Penguins

- Squiggly Wiggly Surprise - Penguin's Big Surprise

- 5 Shiny Stars

For Art Time, everyone ran to the table when they saw what we had prepared for them! For our project we used construction paper, markers, Do A Dots, white paint, and sponges. We also helped the children make the head of a polar bear, using a cardboard plate, white tissue paper, and glue. They glued the pieces of white tissue paper onto the plate.

This Thursday during Music Time, we used various musical instruments such as a flute, a drum, and some maracas. The children listened and danced.

This week, we were also very happy to welcome a new friend to our class. Her name is Elizabeth and she is adjusting very well to our routine, her teacher, her new friends, and the class environment.

Quote of the Week:

"How many lessons of faith and beauty we should lose if there were no winter in our year!"

- Thomas Wentworth Higginson Have a good weekend!

Ms. Mireya and Mrs. Madelayne
