

05/14/2021

Dear Parents,

Reminder: Our End-Of-The-Year Drive-By will be happening for our Kindergarten and 1st Grade students!!!. We will begin our celebrations in the afternoon between 2 pm - 4 pm on June 9th, 2021. All pictures, gifts, and certificates will be given out during this time. If you have any questions please feel free to message me through the Brightwheel app.

In Language Arts and Reading, it was another review week for us. This week the students reviewed the clusters with r,s, and like in the words grip, slide, and spoon. We played, "Let's Make That Word", where the students were put into two groups and had to create words with those sounds. We also played, "Shaving Cream Writing", where the students had to write their spelling words in shaving cream, it was messy and fun. We also reviewed what a complete sentence is, what plurals are, what is a fact and opinion, and what are action words.

In Math, we finished our lesson on time. We played "What Time Is It?", where Ms. Sammy said a time and the students had to move the hands around on their clock to make it. On Tuesday we did our time test and everyone did a great job. We now are going to focus on the topic of money. Right now we have introduced all four coins: the penny, nickel, dime, and quarter. Next week we will continue with this lesson.

In Science, we started our new topic: Parts of a Plant. The students named parts such as the roots, stem, leaves, and flowers. We then looked at pictures of all different types of plants to see what they had in common and what was different between them. We will be continuing this topic next week.

"First, think. Second, believe. Third, dream. And finally, dare."- Walt Disney

Have a wonderful weekend!!!

Ms. Sammy
