

07.12.24

Dear Families,

As we continue our theme of “My School and Me”, this week we learned we have five senses. We can see, touch, hear, taste, and smell. They had fun tasting sweet, salty, and sour, they also touched soft and hard toys, they heard musical instruments, and they saw a flower.

For story time, we read: My Backyard and My Senses, Sensational Senses.

On Wednesday, they enjoyed great performances of Dr. Seuss book by Miami Children's Museum.

Looking forward to an exciting week!

Sincerely,

Ms. Miriam Salas
