Dear Parents of Green & Red Doors,

We would like to welcome Amy to the Kids For Kids Academy family!

We had a lot of traffic jams in the classroom this week as our topic was transportation! The children learned about different forms of transportation: by car, train, boat, plane.

During Circle Time, we sang a song that teaches the sound of a car, a train, a plane such as “the cars on the road go vroom,vroom, vroom, the plane in the air goes nneeaooowww, the train on the rails goes chooga, chooga, chooga” (on the tune of the Wheels On The Bus). We also sang “Row, Row, Row Your Boat”. The “row your boat” activity has become a favorite one with the children. As soon as we sang the song, they paired up, sat on the ground and went back and forth: Good laugh and success guaranteed!

For Art, the children enjoyed dipping the wheels of a truck in black paint and then rolling it on construction paper, they also made boat collages using shapes.

**\*REMINDER\***- Please send extra clothing including socks,4 sippy cups, and a family picture. Please cut your child’s nails to avoid any accidents. Remember kindness is free; let's pass it on!

Have a wonderful weekend!

Love,  
Ms.Yanet, Mrs.Yeysleydy, Mrs.Mireya, Mrs. Madelayne
