Dear Parent of Yellow Door,

This week, we enjoyed once again. Farm Animals (part 2).

During Circle Time, the teacher and students sang, danced, and moved to: "Good morning," "Blow the Balloon", "ABC," "Sticky Bubble Gum," "7 Days of the Week", "Number's Rock," "1,2 Buckle My Shoe," "The Ants are Marching One by One," "This Old Man," "BINGO", "Old Mac Donald Had a Farm" and "5 Little Ducks". Music & Movement: "Freeze Dance", "Action Song" and "Baby Shark".

For art, the children made a hand-print chick by dipping their hands in yellow paint and added the beak and eyes to it. They used a paper plate, they painted it yellow and then added the beak to it. They made a hen using a paper plate. They colored it red with red crayons and glued the beak to it and their hand-print as the feathers on the top of the head. Finally, they colored in their journals.

Their favorite time of the day was that they had a chance to encounter art, blocks, housekeeping, library time, science, and discovery. On the playground, the students found different ways to have fun with jumping, using both feet, kicking the ball, riding the tricycle, marching, and running around the playground.

This week was the Happy Birthday of Melody Sanchez. I sent pictures and messages through Brightwheel; please check those out. The children did a great job helping clean up and helping the teachers.

Parents, please, do not forget to wash your child's blanket and return to school on Monday. Please, send in changes of clean clothing for your child, so that way, if they get dirty, we can change them.
