Dear Parents of Blue Door,

Hello, this week the children learned about Argentina 🇦🇷 . During circle time the children were shown a picture of the flag and talked about the colors on the flag which are blue and white and in the middle of the flag there is a sun. Some of the animals that live in Argentina were also spoken about. Animals such as the Jaguar, Llama, Cougar and Vampire bat. Pictures of these animals were also shown to the children.

For art , the children loved dancing and listening to Tango music. Painting with the color blue was also lots of fun . As the children were getting ready to start their project the teacher asked what color paint were they going to use. A lot of the children answered correctly and said blue. In making the flag of Argentina the children painted the top part and bottom part of a white construction paper blue and then glued the sun in the middle. Tearing tissue paper was lots of fun and once again the color was blue. Tearing paper is a simple fine motor activity. It helps children develop so many essential skills such as : hand strength, hand eye coordination, precision, refined movements and bilateral coordination. Rolling and flattening play doh is always a favorite for the children and is also another way to practice fine motor skills.

On the playground we love to play but we also practice our gross motor skills. This week we danced to head, shoulders , knees and toes and rode the tricycles around the playground. The children loved having a basketball game against one another and throwing the ball into the hoop. Running one lap around the playground to see who was the fastest was also lots of fun.

Parents please wash your child's blanket and return to school nice and clean. PLEASE put your child's name on anything that may be his or hers thanks for your cooperation once again. Please make sure your child's nails are cut short so that way they do not scratch themselves or their friends.

Music class fun is always lots of fun. The children had a great time playing with the stretchy band and playing the Bongos and djembe. I hope you all are enjoying the pictures .

Have a great weekend ❤️

Mrs. Cindy
