

1/7/2022

Dear Parents,

Happy New Year! We are sending wishes for 2022 that will be full of joy, love, and good health for you and your family, and more than anything, no more virus!

We hope you all enjoyed a lovely winter break and spent it with your loved ones. We were glad to have the children back with us in Green Door who got back to their routine very fast.

Our topic for this week was "New Year Celebration".

For art, the children colored and then decorated a Party Hat and they made fireworks using a brush and different paints. Finally, with the new year, they tried a new sensory activity: Play-Doh; the children, after trying to eat it, enjoyed it very much as we showed them how to pat the dough to flatten it.

Circle Time was great: now, when we say "it's time for Circle Time", we see all the children gather around and sit to listen and participate as we sing songs.

Gross motor skills are improving as we can see it in the playground, the children don't need any more help to climb or go down the stairs, they are all over the place and some are starting to run!

Little Reminder: Please, try to label your child's sippie cups (on the lid and the bottle with first and last name). The time we spend writing their names in the morning is less time for them. Thank you for your help.

Quote of the week: "An optimist stays up until midnight to see the new year in. A pessimist stays up to make sure the old year leaves." — William E. Vaughan

Have a great weekend!

Mrs. Murielle, Mrs. Zamira, & Ms. Lauren
