

06.03.2022

Dear Parents of Yellow Door,

The last letter of the school year: the closing of one door and the opening of another. I want to thank each child and parent for all the warmth and memories and the learning that we have shared at this school year.

This past year we have grown together a little bit. Each of you will always be with us, and remember to always strive to be the best that you can be!

We say thank you for allowing us to be your children's teachers. It's been a wonderful and rewarding year for us. We will always remember your child with their beautiful smiles as could be seen in the following pictures.

Each of your children has brought such joy and happiness to our classroom and lots of memories that we won't forget. We were so fortunate to have such a wonderful group of children these past months. We would like to thank all the parents who contributed to the generous gifts for the teachers in Yellow Door. We really appreciate it. From the bottom of our hearts, we wish you a super fun, wonderful, and safe summer. Hope you travel around the world with your Passport for Fun during our summer camp starting June 13, 2022!

Love from the teachers of Yellow Door 

Mrs. Yanet, Mrs. Yeysleydy and Ms. Lauren
