Dear Parents of Red and Green Door,

This week, our topic was winter and the color was white, The chilly weather was perfect to help us talk about the weather. The children learned that when it's cold, we dress differently. We wear more clothes to protect us from the cold and we need to wear a jacket when we go outside.

During Circle Time, we sang:

- Rollie Pollie
- The Wheels on the Bus
- Baby Shark
- Itsy Bitsy Spider

During Story Time, we read:

- Winter Wonderland
- My Little Counting Book
- Squiggly Wiggly's Surprise
- 5 Shiny Stars

For Art, they made a beautiful painting called "Snowstorm in the Night" using their fingers and white paint.

We had fun playing with the felt board as we dressed a bear for cold weather: hat, scarf, long sleeve shirt, pants, jackets and even mittens and boots!
