Dear Parents,

This week we traveled to Australia. We worked on fine and gross motor skills. The children finger-painted, colored freely with crayons and markers, and enjoyed painting. The children continue to practice their fine motor skills by doing fun art! They painted paper with red and blue paint. They also played with puzzles and are getting better at it. To practice their gross motor skills the children played a game outside in the playground with the teachers by following the leader and marching.

Please remember to always bring an extra change of clothing for your child! The summer days are hot and sometimes messy with outside activities and all, so please make sure that your child always has an extra little outfit in case of an accident. Make sure their clothing is appropriate for the heat; don't bring too many long-sleeved shirts and pants! Please make sure that your child has an extra pair of socks in the classroom.

Love the teachers of Yellow Door 

Mrs. Yanet ,Yeysleydy and Ms.Lauren
