

06.03.2022

Dear Parents,

This is our last weekly letter of the school year! We have great memories from this year full of joy and good laugh. It was wonderful to see your children growing; they have learned a lot: they have developed their language skills, saying more and more words, they have become more independent, eating by themselves, drinking from a cup, they learned good manners, saying please and thank you. They have developed their gross motor skill; can you believe that some of them were not walking when they started in Green Door! Now they are running! So much has happened and we are really proud of all their accomplishments.

We had a great week learning about "Sea Animals". The children always enjoy themes that involve animals. They like to make the animal's sounds or just pretend to be one. This week, we had a lot of fun pretending to be sharks chasing little fish in the ocean. Of course, the song "Baby Shark" was played everyday and several times a day as it is definitively their favorite song!!!! As soon as they heard the first note of the music, they started to move and make the gestures that go with the song. They never get tired of it!

During Circle Time, the children enjoyed the songs "Underneath the Ocean", "Slippery Fish" and the finger play "I'm a Starfish".

For Art, they painted a construction paper with blue paint and glued sea animal shapes on it. They also painted using a stencil in a shape of a whale.

We could not talk about ocean and sea animals without playing with the water; there were a lot of fun with laughs and splashes around the water table!!

Next week will be shorter as we will be closed on Friday. On Thursday, we will return all your child belongings as they will move in another class. If you know that your child will not attend school on Thursday, please let us know so we can return them on their last day.

It's always a little hard to let them go, we have learned to know them and we love them so much. They will always be our babies, no matter what and we will miss them but surely will keep an eye on them!

We also want to thank you for your cooperation during the school year and your generous gift and attention toward us.

Wishing you and your family a great weekend and a wonderful summer.

Mrs. Murielle, Mrs. Zamira, & Ms. Lauren
