Dear Parents of Blue Door,

Hello! We are happy to introduce in our Blue Door family to our new friend Sebastian Diaz.

This week the children learned about Farm Animals. During Circle Time the teacher talked about some of the animals that live on the farm, animals such as cows, sheep, pigs, chickens, goats, ducks, and the donkey. They loved making all the different sounds these animals make.

For art, the children made a handprint baby chick by dipping their hand on yellow paint and then onto construction paper. By coloring a small paper plate yellow and gluing the beak and eyes and legs made a baby chick. They had lots of fun making a hen. They colored a paper plate red and used their handprint to represent the feathers. As we always do once a week, they worked in their journals.

The stories that were read were: "Down on the Farm", "The Little Red Hen", "Old MacDonald Had a Farm", and "Pete the Cat".

Parents, please LABEL EVERYTHING THAT BELONGS TO YOUR CHILD WITH HIS/HER NAME. This includes extra clean clothing, coats, sweaters, ANYTHING that belongs to your child. Please wash their blankets and return clean to school on Monday.

If your child is sick, please keep them home, this way the other children do not get sick nor the teachers either.

Please, please parents practice with your child on how to hold a crayon or pencil correctly. Yes, here at school we do teach them but reinforcement is very important and will help your child learn faster.

Quote of the week: "While we teach our children about life, our children teach us what life is all about" by Angela Schwindt.

Have a nice weekend!

Mrs. Cindy  
Mrs. Miriam
