

07.08

Hello Parents,

NOTE FROM MRS. DAVIS: Both Orange and Rainbow are PRE VPK classes so they do the lesson planning together. In some cases, one class may change a project from the lesson plan. In this case, you will see notations of Orange Door or Rainbow specific activities.

This week we traveled to “North America”. The topic was “USA”. We showed to the kids our country on a map. We talked about the national anthem. We talked about the meaning of the colors on our flag, and we talked about what is Independence Day and how we celebrate it. They all were so excited talking about fireworks and family reunions.

SMALL GROUP/ART:

RAINBOW: The children started by using red, blue, and white tissue paper. On another day guided by the teachers, the kids made fireworks using paint, brushes, and glitter. The kids also got to make their own flag out of construction paper.

ORANGE: Children made USA lanterns on Blue paper and traced the words USA and their names.

MUSIC: Ms. Clarisse sang songs. The kids played with sticks singing and dancing; “Palo, Palito”. The kids also played the parachute game with Ms. Clarisse.

The kids played in different areas during the week. Outside we played with bubbles, we ran around playing tag, and we played with hula hoops, and balls.

Parents, please do not forget to wash your children's blankets. Also, remember to cut their nails short so they don't scratch themselves or others in their class. Please send mosquito spray.

Thank you and have a great weekend,

Rainbow: Mrs. Zamira, Mrs. Mireya (out this week) Miss Ali standing in

Orange: Miss Carolina
