

03.15.2024

Dear Parents,

This week, our topic was "St. Patrick's Day": Colors of the Rainbow 🌈! We focused on introducing the colors that make a rainbow: red, orange, yellow, green, blue, and violet. We also talked about Leprechauns, the pot of gold, and wearing green on St. Patrick's Day to avoid getting pinched by the Leprechaun! 🍀

The children had a chance to play in all center areas like Art 🎨, Blocks 🚗, Housekeeping 🧹, Library 📖, and Science 🔬 and Discovery 💡

During Circle Time, we listened to the "Good Morning ☀️" song along with "I'm a Little Leprechaun", and Toes", "Five Little Clovers 🍀", "The Wheels on the Bus", and "If You're Happy and You Know It"!

While outside during playground ⌚ time, we took some time to practice our gross motor skills like throwing a ball, climbing up and down the stairs, freeze dancing, and going down the slide! 😊

For our craft this week, we made the Leprechauns rainbow using a paper plate, Do-A-Dots, colorful Pom-Poms, and glue. We also made a clover craft using construction paper, green tissue paper, and glue!

To develop our fine motor skills, we played with some Play-Doh and used various cookie cutters to play and work with our fingers! 👍

Parents, let's encourage our little ones to eat with spoons and drink out of cups all by themselves! It will be messy, however, it will be so beneficial for them in the long run! Let's work together so that your child can succeed! 🤔👍

Reminder: If your child is sick please keep them home until better. Bringing them to school sick only allows for them to not get better quickly and also gets the other children and teachers sick as well! Thank you for your cooperation! 🤔👍

Please be sure to bring back your child's blanket and pillow nice and clean for next week! Have a wonderful and safe weekend! 🧸❤️

With much LOVE,

Ms. Ashley and Ms. Yeysleydys ❤️
