Dear Parents of Blue Door,

Hello! This week we spoke about Christmas. During Circle Time the teacher spoke about all the different things that symbolize Christmas . She spoke about things such as the Christmas tree 🎄, Reindeer , Elves, Santa Claus 🧑, Candy Canes and the Christmas Stocking. A lot of the children shared with their friends that they had a Christmas tree at their house. The children are VERY excited for Santa to come. Santa visited our school and the children were so happy. When the teacher asked what Santa said to them they replied, Ho, Ho, Ho.

For Art, the children decorated a snowflake ❄️ using mosaic squares, They finished putting together their mommy and daddy's surprise which was a picture frame with their picture in it. They love to roll and flatten Play-Doh. They used different Christmas themed Play-Doh cutters. Free art was lots of fun. The children drew a picture of what they wanted Santa to bring them for Christmas.

Mr. Turtle dance class was lots of fun. The children listened to Christmas stories and a Hanukkah story. Their favorite song is The Wheels on the Bus.

The children had a great time playing with the snow 🧊 Mrs. Davis sent around. I did send pictures through Brightwheel . I hope you enjoyed them.

Music class with Ms. Clarice is always lots of fun . They loved jiggling those jingle bells and sang Christmas songs. Feliz Navidad and Jingle Bells were songs they sang 🧑🎄🎄❄️

Blue Door teachers would like to thank the parents that brought in a gift for the teachers, we really appreciate it . We also want to wish you all a very Merry Christmas and A blessed and healthy New Year. See you all next year!

Enjoy time with your families 🎄

Mrs. Cindy

Mrs. Miriam
