Green Door is now running at his full capacity as we welcomed our 12th student, our adorable Alana who just turned 1 year old. Welcome, we are glad to have you with us.

This week was our topic was "Owl" and the color brown. During Circle Time, we sang songs about owls: One Little Owl, Late at Night and Little Owl. We also practiced making the owl's sound "whoo, whoo".

For Art activity, the children made owls handprints and they made an owl collage gluing different shapes on construction paper.

Our playground time was again wonderful as the weather is just perfect, the children did enjoy it and it was hard to go back to the classroom. The children enjoyed playing with balls and practicing kicking or throwing balls and playing "Ring Around the Rosie" while holding hands.

Music class was also great, for the first time the children played with two sticks and did very well. They followed directions and tapped their sticks together. We have some serious drummers here!

Reminder: Please make sure your child's sippie cups are labeled with his/her first and last name on the lid and bottle. You can order the labels to the office for \$5.00. Thanks

Quote of the week: Advice from an owl: stay focused, be "whoo" you are, trust in a wise friend, live off the land, glide through the dark times, be observant, life's a hoot! Ilan Shamir

Have a wonderful weekend!
