Dear Parents of Blue Door,

Hello🦀 This week the children learned about Ocean animals. During Circle Time the teacher spoke about some of the animals that live in the ocean such as the Shark 🦈, Dolphin 🐬, Swordfish, Blue Whales 🐳, Manatees and the Octopus 🐙. Here in class we have ocean animals that your child plays with. Each child was asked to go over and pick out the ocean animal that they were told to. A lot of the children did very well.

For art, the children had lots of fun making a fish 🐟. Each child painted a small paper plate and then glued the fin to their plate and added the eyes. Jellyfish craft was a blast. The children enjoyed painting their jellyfish and the tentacles were represented by the children gluing different colored strips of construction paper. Crab craft was a blast. The children colored half of a paper plate red and then added the legs as well as the eyes.

These are the stories they listened to at story time: If You Give a Pig a Pancake, I Went Walking, If You Give a Cat a Cupcake?, Baby Bear, Baby Bear, What Do You See? and Hands Are Not For Hitting.

Parents please wash your child's blanket and return to school nice and clean. Please make sure everything that belongs to your child has his or her name on it. Please make sure your child's nails are cut short so that way they don't scratch themselves or their friends.

🐳Have a great weekend 🐳

Mrs. Cindy
