

07.28.23

Ni hao, Konnichiwa Parents of Yellow Door,

This week was filled with lots of fun, laughs, and learning! This week we focused on the continent of Asia with this theme, and we completed some activities! To begin, during Circle Time, the students were introduced to the country of Asia 🇨🇳🇯🇵🇰🇷🇨🇳 We discussed the colors of the flag (red and white). During music and movement, we listened and danced to music that is played for kids in Japan.

For art, we decided to use stamps using the colors of Japan's flag. They colored on construction paper with different colored crayons. They painted with a brush using different colors. They glued foam shapes on a paper plate. to make a fan.

Students were also given an opportunity to use red paint on a white piece of construction paper. This was a good way for students to exercise their sensory as well as fine motor skills. They used their hands and/or paint brushes to make beautiful pictures.

Aside from the themed activities that highlighted Asia, the students also enjoyed free art, Play-Doh, and played with the many toys in the classroom!

★Reminders: Please send a family picture to put on our class morale display, the children love to see their mommy, daddy, siblings, family members, and pets.

★Please encourage your child to drink from regular cups, NOT sippy cups, and also encourage them to sit at the table for dinner NO HIGHCHAIR !!!

★Please remember to always bring an extra change of clothing for your child! The summer days are hot and sometimes messy with outside activities and all, so please make sure that your child always has an extra little outfit in case of an accident. Make sure their clothing is appropriate for the heat; don't bring too many long-sleeved shirts and pants! Please make sure that your child has an extra pair of socks in the classroom.

As always we look forward to every amazing week with your child here at Yellow Door💛

Have an amazing weekend!

Love

Mrs. Yanet and Mrs. Yeysleydy
