Dear Parents,

What a wonderful first week of school!! We had so much fun learning about school and learning how to follow our class routine!

The children had a chance to play in all center areas like: Art 🎨, Blocks 🚗, Housekeeping 🏠, Library 📖, and Science 🔬 and Discovery 💡.

During Circle Time, we sang our "Good Morning" song along with "Itsy Bitsy Spider 🕷️", "Rollie 🐘 Pollie", and "The Wheels on the Bus 🚌"!

While outside during playground ⏰ time, we took some time to practice our gross motor skills like sitting on the floor facing each other and holding hands to lean forward and back in a seesaw motion! We also practiced throwing a ball, climbing up and down the stairs, freeze dancing, and going down the slide! 😊

Parents, watch what your toddler does and name it: "You are filling the box." They will be happy to show you what they learned and will gain self-esteem! Also, allow your child to practice drinking out of regular cups and using spoons to feed themselves! Practicing independence is very important for the development of small children! 😊👍

We will see you all next week! Make sure to bring back your child's blanket and pillow nice and clean for next week! Have a wonderful and safe weekend! 😊❤️

With much LOVE,

Ms. Ashley and Ms. Nelli ❤️
