

01/20/2023

Dear Parents,

I hope you all had a wonderful long weekend! Because we were closed on Monday the 16th, the Spelling and the Language Arts Unit Test for this week will be provided on Monday the 23rd. The children will still be introduced to new words on Monday and the test for next week will be given as usual on Friday the 27th.

During this week we discussed "Where does our food come from?" We read stories such as "A Look at Breakfast," and "From Cows to You" among a few more. We worked with the short sound of -oo- as in took, we continue to work with blending, segmenting and deleting phonemes. We also covered contractions with not, apostrophes, proofreading and editing our papers.

We finished Chapter 7 in Math and we started a short Chapter (8) , please play games with your child to put big numbers in order (up to 100) from least to greatest and from greatest to least! Talk about which number comes next, before; etc.

Next week, we will begin a new chapter in Science "Parents and Offspring" We will learn about the cycle of life of some animals. We will continue with "Economics" during Social Studies.

Our P.E and music teachers continue to enlighten the lives of our students while working and stimulating children's senses!

COMING UP...

Monday the 23rd- Spelling/H-F and Unit tests from this week, will be provided in the morning.

Science quiz on Thursday the 26th, The Life Cycle of some animals.

Have a lovely weekend!

Love,

Mrs. Audrey
