

08.05.2022

Dear Parents,

This week we took a flight to "JAPAN". The children learned about the colors of the flag from Japan which are white and red. They learned that JAPAN is famous for natural sights such as; Cherry Blossoms and the Mountain Fuji. The children learned that "sushi" is the most famous Japanese dish. They learned that Japanese is the official language spoken in Japan.

For art, Orange and Rainbow Door children colored a circle in red then they pasted pieces of red construction paper in the circle to make the Japanese flag. The children in Orange Door had fun coloring and decorating a piece of construction paper to make a lantern. Both Orange and Rainbow kids had a blast creating the "Hand Fan", painting and decorating half of the paper plate and then they glued popsicle sticks. The kids also painted a paper plate to make a hat. Last but not least, the children used pink and white paint to make the "Cherry Blossoms Tree", using their fingers.

We had so much fun in music class :) the kids enjoyed every part of it.

Please don't forget to take blankets home to be washed.

Have a great weekend.

Orange Door Teachers:  
Mrs. Miriam & Mrs. Carolina.

Rainbow Door Teachers:  
Mrs. Zamira & Mrs. Mireya.
