

04/02/2021

Dear Parent of Yellow Door,

Hello! I would like to wish everyone a Happy Easter. Enjoy time with your family. During circle time the teacher reviewed the colors and shapes with the children. This week we kept on talking about Spring, we talked about the weather, animals and the clothing we wear. Spring time means warm weather, flowers growing and butterflies and bees flying in the air. On the playground the children buzzed like bees and flew around like butterflies.

For art, the children colored a raindrop and with the teachers help glued it onto construction paper. They had fun making their spring flower by painting the outside of a small paper plate and they had a blast, dipping their fingertips into paint and then onto their flower. Using dot a dot was lots of fun, they decorated a pre-cut flower with the dot a dot color of their choice. On the playground they threw the balls and went up the slide stairs and down the slide. They buzzed like bees and flew around like butterflies. They looked so cute.

This Friday we are closed. Once again, Happy Easter! Parents, Please wash your child's blanket and return to school nice and clean on Monday. Make sure your child's nails are cut short so that way they do not scratch themselves on their friends. Please, send in extra clean clothing. Thanks once again.

"If we could see the world through their eyes of a child, we would see the magic in everything."
