Dear Parents of Green and Red Door,

This week was very interesting for the children. The topic of the week was "Teddy Bears". We introduced the children to Brown Bear. During Circle Time, we used puppets and the kids loved them! We sang together the following:

- Good Morning
- Pat A Cake
- Rollie Pollie
- Open and Shut
- Teddy Bear, Teddy Bear

In Story Time, we read "Brown Bear, Brown Bear", a story that the children enjoyed, we also read "Bear Baby", "Fuzzy Bear's Bedtime", "Fuzzy Bear's Potty Book" and "Fuzzy Bear Goes To School".

Our school surprised us with an awesome garden renovation, so we had an amazing walk around the garden. We planted beautiful flowers and plants, we also watered them. They enjoyed being in contact with nature.

During Art Time, we used cardboard plates, construction papers, and brown paint. The children painted the plate brown and with our help, they glued the eyes, mouth, nose, and ears.

Finally, we have been very happy because our little Ashton is already walking! And a very Happy Birthday to Sarah, Penelope, and Ashton who are celebrating their birthdays this week!

Quote of the week: "Sometimes, the smallest things take up the most room in your heart."

Have a wonderful weekend!
