

04.19.2024

Dear Parents,

This week, our topic was “pets”! We talked about certain animals that can become pets and live with us and how some are meant to be wild animals and live in the wild! We talked about how puppies, kitties, fishes, birds, lizards, hamsters, Guinea pigs, and bunnies can be pets! We also took turns during Circle Time to share if we have a pet or not! 👍

The children had a chance to play in all center areas like: Art 🎨, Blocks 🚂, Housekeeping 🧹, Library 📖, and Science 🔬 and Discovery 💡

During Circle Time, we listened to the “Good Morning ☀️” song along with “I Have a Pet”, “Pet Vocabulary Chant for Children”, “Ten in the Bed 🛏️”, and “Who Took the Cookie from the Cookie Jar?”!

While outside during playground ⌚ time, we took some time to practice our gross motor skills like throwing a ball, climbing up and down the stairs, freeze dancing, and going down the slide! 😊

For our craft this week, each child chose between a cat or a dog. They then used paint, a paper plate, sticky eyes, and pre-cut ears to make the pet of their choice!

In order to develop our fine motor skills, we played with some Play-Doh and used various cookie cutters to play and work with our fingers! 👍

Parents, let’s encourage our little ones to eat with spoons and drinking out of cups all by themselves! It will be messy, however, it will be so beneficial for them in the long run! Let’s work together so that your child can succeed! 😊👍

Reminder: If your child is sick please keep them home until better. Bringing them to school sick only allows for them to not get better quickly and also gets the other children and teachers sick as well! Thank you for your cooperation! 😊👍

Please be sure to bring back your child’s blanket and pillow nice and clean for next week! Have a wonderful and safe weekend! 😊❤️

With much LOVE,

Ms. Ashley and Ms. Yeysleydys ❤️
