Dear Parents,

This week in Gold Door we covered skills such as what a statement is, capitalization at the beginning of a sentence and punctuation at the end. We also worked with blends such as cl, bl, fl, gl, pl, and sl. We read stories related to pets, some of the stories we read are "Cool Dog, School Dog," "A Pig for Cliff" and "What Pets Need". The writing was focused on recalling events in order, what happened at the beginning, the middle and at the end of a story. We also discussed the main events or details.

We are almost done with Chapter 3 where the children learned different strategies to find sums to 12; they used a number line to add faster by counting on starting on the greater number of the sentence and by using double facts.

During Social Studies we have been talking and learning about some holidays celebrated in our Country. We also learned what Culture means and how other cultures have their own holidays.
