Dear Parents of Blue Door,

Hello 🌟 the first week of camp was a success. The children had a great time playing with all the toys and their new friends. The new curriculum was also implemented. The children loved meeting Fernando, the frog 🐸.

🌟 During Circle Time, the children sang Head, Shoulders, Knees, and Toes. Fernando was introduced as a member of our class. Each child shook his hand. Every morning, there is a new message.

🌟 The following books were read to the children: Awesome Me and My Body Talks.

🌟 Vocabulary words learned were: Awesome and Magnificent

🌟 Math: Words such as blue and black were used as attributes.
Words such as tallest and shortest were also used as attributes.

🌟 Stem: The children built towers using Legos and described them

🌟 Science: The children looked at their fingers using a magnifying glass. They described what they saw, and they were shown the Handwashing sequence cards.

Parents, please wash your child's blanket and return it to school nice and clean. Please label everything that belongs to your child with his or her name. Please make sure your child's nails are cut short so they don't scratch themselves or their friends.

🦋 Have a great weekend 🦋
