

06/25/2021

Dear Parents of Green and Red Door,

This week was full of emotions! All of the children have adapted very well to their classrooms. We learned very interesting information about Africa, such as music, vegetation and its wide range of animals. The children were very enthusiastic when discussing the different animals, we even used puppets!

During Art Time, we had two projects: a lion and an elephant. We used grey and yellow paint and paper plates.

We listened to music and danced. The children used drums and maracas, which are typical in African music.

It is extremely important to observe their fine motor skills. To enhance them, this week we played with Legos and animal puzzles. Puzzles of lions with their furry manes, zebras with their unique stripes, and giraffes with very long necks.

**REMINDERS!**

- We need more extra changes of clothes
- Please send in a family picture
- For the health and safety of all our students and staff, please do not send your children to school if they are sick or have a runny nose
- Please cut your child's nails to avoid any accidents

Thank you and have a great weekend!

Ms. Mireya, Mrs. Madelayne, and Mrs. Yeysleydy
