

07.21.2023

Dear Parents,

As we continue our journey around the world, this week we traveled to beautiful France! We learned that the capital city of France is Paris. They speak French and are well-known for bread, cheese pastries, and fruit. It is one of the most visited countries in the world. People come to go shopping, eat in restaurants, and visit the Eiffel Tower and other famous landmarks. The currency France uses is called Euro. We also talked about Tour De France one of the most prestigious cycling races in the world lasting 23 days and covering more than 2102 miles. We watched a couple of videos of the races, they loved it. We also talked about the famous Eiffel Tower. It was built long, long ago, 1889. It was made out of metal and iron and is repainted every seven years.

On Wednesday, we had a visit from the Police Department. The officer came to talk about Safety, she explained the definition of what a stranger is; she talked about what is the difference between a good stranger and a bad stranger, and what to do in different scenarios. They got a coloring book to take home for the parents to continue the discussion.

During Art, the children used blue and red crayons to color the flag of France. They also used markers to trace the map and then used crayons to color the different provinces. They used colored squares to trace the word: France. Finally, they sponge-painted the Eiffel Tower using blue and red paint.

On Tuesday, they had a Music class with Mrs. Michelle. She introduced the Gong, an instrument from China, make sure to look at pictures on Brightwheel.

Have your child says what come next: "tree flower flower tree flower flower...(child says, tree)

What word did I repeat? "Pig horse pig chicken (the child says, pig)

Quote of the week:

We don't have to be rich to travel well.

-Eugene Fodor-.

Have a safe and great weekend:

Mrs. Ana, Mrs. Miriam

Ms. Laura, Mrs. Melanie
