Dear Parents of Yellow Door,

We love to welcome Lucas to our Yellow Door family. 🧡

We spent a lovely week celebrating Valentine's Day. Love is everywhere and the children are getting along so well! They like to express their love to each other as they play and laugh together, welcome a friend saying hello, or give a big smile. They also show their love to their teachers giving the best hugs ever!

This week, we focused on the heart shape. The children made a heart handprint, they decorated a special Valentine's card for Mommy and Daddy and we also decorated their Valentine's bags .

In music class, the children had an opportunity to use the internet a lollipop drum and listen to their favorite story Pete the Cat.

For small group aside from the themed activities the students also enjoyed free art, Play-Doh, and played with the many toys in the classroom!

Remember, Kindness is Free; Lets Pass It On!

Love,

Mrs. Yanet and Yeysleydy
