

06.09.2023

Dear Parents,

The first week of summer camp flew by! We've been very busy making projects for Father's Day, and learning our daily routine. As always, we are so anxious to get to know your child and provide a safe and fun atmosphere.

During Circle Time, we discussed and worked on the calendar, weather, practiced the good morning songs, and talked about the Father's Day celebration. This week children made a beautiful projects for Father's Day and learned about colors, shapes, and numbers.

They practiced soccer and had the opportunity to build self-esteem and confidence while enjoying fun outside.

They enjoyed the music class with Ms. Michelle and expressed themselves and shared feelings.

This week also the children enjoyed an in-house field trip from the Miami Children's Museum. They had so much fun singing and dancing!

During center time, the children learned how to share and have fun.

Wishing you a fun filled weekend with you family.

Ms. Carolina and Ms. Zlota
