Dear Parents,

This week our theme was "All About Me". During Circle Time the teacher spoke about how being different is okay because we are all special in our own way. We are all important just for being who we are.

For Art, the children made an "All About Me" book. The teacher asked them about the color of their hair how old they are, their favorite food, their favorite color, and their favorite thing to do.

Using construction paper, markers and yarn they made their self-portrait. The children enjoyed ripping different colors of paper and adding them to white construction paper to create a frame. The children made a mirror using construction paper, aluminum foil, and mosaic squares to decorate it. Last but not least, the children traced, colored, and decorated the word "ME".

Rainbow Door students for art made a portrait of themselves using googly eyes, yarn, and markers. The kids also practiced their skill of cutting by using, scissors to cut magazines. On another day, the kids made a mirror by using, aluminum foil, construction paper, glue and crayons to decorate it.

The kids are getting used to a routine and they are doing a great job :)

Please make sure to take home blankets on Friday to be washed and to be returned on Monday.

Have a great weekend,
