

11/5/2021

Dear Parents of Rainbow Door,

Hello, what an amazing week of learning and having fun we have had! This week we learned to count all the way to 20! During Circle Time, the children took turns counting as well as writing numbers 1 - 5 on our classroom board. The teacher also talked about the letter E, as well as which words start with Ee. The children took turns thinking of a word starting with the letter E and sharing it with their friends.

For art, the children made a beautiful Choo Choo Train! Each train had 10 numbered squares and the children were asked to place each square in order 1 to 10. Then they were asked to count each one out loud before gluing our train together. We had a great time coloring and tracing the letter E. Did you know E is for elephants? the children were able to decorate their own letter E with some of their favorite colors. But that is not all, the children had so much fun using Play-Doh to shape into numbers, and what a great way to work on our Sensory Skills.

For storytime we listened to Rae Car Count, Mimi's Book of Counting, Turtle Splash Count Down at the Pond, and At The Edge of the Wood, a counting book.

We would like to have a Big Rainbow welcome to Andres and Julian Sanchez!

Parents, please remember to continue working with your child at home as well. Reinforcement is now key to success!. Also, remember to wash your child's blanket and return it to school on Monday. Please make sure your child's nails are cut short so that way they do not scratch themselves or their friends.

Quote of the Week: " You can learn, something new every day if you listen "

The Student for the week starting Monday 11/8 to Friday 11/12 is " RAFAEL CERNA"

Have an amazing weekend,

Mrs. Miriam S.  
Ms. Karla
