

10.14.2022

Dear Parents,

This week marked the kickoff of our Halloween Happening Event and we started to make projects, sang songs, and talked about Halloween symbols. Our topic was "Bats and Cats" and our goal was to focus on the colors black, purple, green, and orange.

During small group time, the children made beautiful "cats and bats" and painted a carton plate in orange and yellow to make a moon, pasting black bat shapes. They made another collage to make a bat and used their handprints to make the wings and a Black Cat using black paper squares. They also got an opportunity to play a sensory activity using colored rice, they had a blast!

For Circle Time, we sang The Itsy, Bitsy Spider and 3 Black Cats and we changed the song Bingo to "there was a witch who has a cat and Black is his name!". We also told a mini story with the rhyming words bat, cat, fat, hat, mat, pat, rat (The cat that wears a hat, Told the bat to pat, The fat rat on the mat!). The children are participating more and more making gestures and sometimes finishing the sentences of the song. Just after Circle Time, we enjoyed dancing to the music of "Freeze Song", "Baby Shark" and "Goldfish". This week, our Music teacher, Mrs. Lee, brought a tambourine. The children really had a great time.

Outdoor time was great, we played with bubbles (they are so excited to pop the bubbles) and we practiced kicking a ball.

Have a wonderful weekend!

Mrs. Yanet, Mrs. Yeysleydy and Ashley
