Dear Parents of Blue Door,

Hello 🦋, This week the children learned about Wild Animals. During Circle Time the teacher talked about the different rainforest animals there are such as the African Forest Elephant, Black Panther, Butterfly, Mountain Gorilla, and the Toucan. Here in Blue Door we have wild animals that the children play with and they were asked to identify those animals.

For art, the children worked very hard on holding the scissors correctly and cutting paper. Playing with Play-Doh is an all-time favorite. The children love to roll, flatten, make circles, and snakes. Using Play-Doh is also a great fine motor skill for your child. Gluing mosaic squares to their butterfly and coloring it was lots of fun as well. Red Eye Green Tree 🌳 Frog was a blast. Using green paint they painted a paper plate and then added the red eyes and legs to their frog.

The children enjoyed listening to these stories; Hands are Not for Hitting, Eight Silly Monkeys Jumping on the Bed, Where is the Green Sheep?, The very Hungry Caterpillar 🐛 and I Love You Because You're You.

Parents, please wash your child's blanket and return it nice and clean to school. Please, also check in with the teacher to see if your child may need extra clean clothing. Also, please make sure your child's nails are cut short so that way they don't scratch themselves or their friends.

🦋Have a great weekend 🦋
