For language arts and reading, we focused all on the different sounds we hear around us. We read the story "Clang! Clang! Beep! Beep! Listen to the City." We discussed the different sounds we hear around the city like cars honking, ambulance sirens, and people talking. We also read a fable called "The Turtle and the Flute." It is a fable popular in Brazil. Our vocabulary words were: chat, listen, volume, exclaimed, and familiar. Our letter of the week Nn. We discussed words that start with n and end with n. Our word family was -in. The sight word of the week was and.

In math, we started Chapter 5. We introduced the words addition, plus, and is equal to. We used images of children at school to learn how to add more in a situation. The children also used colored cubes to show a hands-on way to add. Next week we will continue with Chapter 5.

Social studies were all about our veterans! We learned about the five branches of the military and what they specialize in. We read two magazines about the different branches of the military and one of the U.S. Coast Guard and how they rescue people. We also made a Veterans Day booklet that we took home. Last we made a beautiful picture that we will send to some soldiers who are stationed overseas to thank them for their service.

On Wednesday we had an in-school field trip! We learned many interesting facts about a turtle, different snakes, an alligator, and a crocodile. We had lots of fun!

Have a great weekend!

Ms. Adriana and Mrs. Wanda.
