Dear Parents of Blue Door,

Hello! This week we learned about Australia. During Circle Time the teacher talked about some of the animals that live in Australia such as the Koala, Kangaroo, Crocodile, and Red Kangaroo. The children were also shown pictures of these animals. The weather in Australia was also spoken about to the kids as well. The weather is hot and then in the winter it gets cold. During our Circle Time we also learned our colors and shapes.

For Art, the children hopped like a Kangaroo and they had a blast. Decorating a boomerang with mosaic squares and coloring it was lots of fun as the children were coloring it we talked about the colors they were coloring with. Paper plate koala was lots of fun. The children painted a paper plate gray and then glued the eyes, and ears to their koala. Using musical instruments and listening to music from Australia was a blast. The children also used the shape sorting cube and the lacing shapes was lots of fun. Playing in the different centers is always lots of fun. Chasing the bubbles on the playground was a blast.

For story time the children listened to these stories: Llama Llama Misses Mama, Pete the Cat Too Cool For School, Eight Silly Monkeys 🐵, Pete the Cat, I Love My White Shoes, Little Quacks New Friend, Chicka, Chicka Boom Boom, and Peek a Zoo Shoes.

On the playground parents, we also practice our gross motor skills as well. This week we threw the balls to one another, hopped in place, jumped in place and ran after the bubbles on the playground.

Parents, please label everything that belongs to your child with his or her name. Please make sure your child's nails are cut short so that way they don't scratch themselves or their friends by mistake. Please wash your child's blanket and return to school nice and clean.

Have a nice long weekend! Please remember we are closed the Fourth of July which is Monday.

Mrs. Cindy
