

10.14.2022

🍊 Dear Parents,

During this week we covered skills such as nouns and commas in a series, phoneme isolation of middle sounds, words with ending /ed/, and story organization. We also discussed jobs that are needed in a community, we read "Jobs Around Town," Millie Waits for the Mail," and "Firefighters at Work" among other stories. We talked about different genres, the beginning, middle and ending of a story, and how to retell it in order of events.

We finished Chapter 3 for Math, we will cover some strategies to subtract next week.

We had an amazing in-house field trip, the children sang, clapped, and had lots of fun with the Museum of Children's presentation!

I am delighted to be back, I missed my children very much!

COMING UP...

End of grade period-our first quarter is almost over!!!

Have a wonderful weekend 😊

Love,

Ms. Audrey 🌸🍊
